Quote of the Week
In my deepest, darkest moments, what really got me through was a prayer. Sometimes my prayer was 'Help me.' Sometimes a prayer was 'Thank you.' What I've discovered is that intimate connection and communication with my creator will always get me through because I know my support, my help, is just a prayer away. Iyanla Vanzant

Mass Parts and Rituals (Continued)
Ritualistic Action
The Mass begins with the Sign of the Cross - the oldest gesture of the Catholic Faith - and a greeting. The Sign of the Cross, a traditional prelude to prayer, is a form of self-blessing with strong baptismal overtones. Every Christian has been baptised in the name of the Father, Son, and Holy Spirit. The Community at worship is first and foremost a baptismal community.

Reports & Parent Interviews
This year staff have been given the option of using portfolios or the child’s workbooks as a means of assisting with reporting to parents. A reminder that parent/carer interviews will occur on Tuesday, 30 June and that school will be closed at 11.30am on this day. If you have not already done so, please nominate your interview time on the appointment sheet displayed in the front office.

Please note that these year staff are not required to sign the reports. We have been informed of the following:

As far as we are aware, there is no legislative requirement for school reports to be signed. A school report is just that – a report – and is not an 'agreement' between two parties that requires one or both to record their acceptance by signing it.

Athletics Carnival
Congratulations to all the students who participated in the Athletics Carnival. Your sportsmanship and behaviour were both excellent. Thank you to Mr Matt for his organisational skills that resulted in the day running so smoothly. A big thank you is also extended to the staff for their contributions on the day and to all the parents and volunteers who also assisted. Well done to LaSalle for winning the carnival.

Aquinas Visit
Next Wednesday we are hosting some students and staff from Aquinas as they undertake their Derby Immersion Program. Overall there will be 16 students and four staff members.

A Daily Prayer for the Dysfunctional
God, help me to do only what I can, and trust you with the rest. God would you mind putting that in writing.

Enjoy the coming weekend. Freo to win tonight’s game against the Pies by 16 pts.

2015 School Athletics Carnival
Last Friday the School Athletics Carnival was held where students participated in a number of running and team-based races. This was the conclusion to a week of Track and Field activities including Long and Triple Jump events.

Thank you to all who attended the carnival. Special thanks to those who found time to assist with jobs on the day to make this school event run so smoothly.

Congratulations to LaSalle for becoming our 2015 School Athletics Faction Champions and congratulations to all our individual medallion receivers.
Given the enormous school community attendance and response to the day it was a pleasure organising this carnival. Thank you to all and I look forward to further Sports Carnivals for our students throughout the year – Go Holy Rosary!

Mr Matt

**P&F News**

Thanks so much to everyone who baked and supported our stall at the Athletics Carnival. We sold lots of sausages, cakes and drinks and raised over $900! We’ll soon be putting in an order for items from the staff wish list, so we’re looking forward to seeing the results of our fundraising at use in the classrooms and around the school.

Keep an eye out for some social events that are coming up - we’re planning a picnic at the Dinner Tree early next term and we will be running the Holy Rosary School Bush Dance again. If you would like to be involved organising the Bush Dance, or in the band please see Miss Caroline.

Next week we will be holding a stall at the Thursday night markets. Please let Caroline or Vicki know if you can bake anything to contribute to the stall. Thank you!

**Music Notes**

This term Years 3, 4, 5 and 6 have started to learn to play the recorder. They have been working hard to cover the holes of the recorder completely and to blow soft, warm air so that there isn’t too much screeching! So far they have learnt the notes G and E, they’ve been learning musical terms, and starting to read music. Students with their own recorder have been taking home their recorder book to practice at home, but will need to bring their recorder and book in each Wednesday for music. I am putting in another recorder order for those students who haven’t bought one already, so please bring $8 into the office with your order form before the end of Term 2 if you would like to buy one.

Earlier this term the Pre-Primarys, Year 1s and 2s started learning lots of simple songs to sing, clap, do actions and play games to. They started actions and play games to. They started experimenting with their voices: learning the difference between a talking voice and a singing voice, and singing high and
low. The Year 1s and 2s started pointing to the beat of a song on a beat chart, and listened to how many sounds there were on a beat. They also got the chance to listen to an orchestra play Peter and the Wolf by Prokofiev, and the Pre-Primarys listened to Carnival of the Animals by Saint-Saens.

Next term we will be doing some bush dancing in class in preparation for our school Bush Dance!

Please feel free to come in and see me on Wednesdays if you have any questions regarding music.

Thank you.
Miss Caroline
