Quote of the Day
I see clearly that the thing the church needs most today is the ability to heal wounds and to warm the hearts of the faithful; it needs nearness, proximity. **Pope Francis**

Mass Parts and Rituals (Continued)
**Liturgy of the Eucharist**
The structure of the Liturgy of the Eucharist is based on the four things that Jesus did at the Last Supper. He took the bread and wine, gave thanks over it, broke it and shared it. The bread and wine are taken to the altar in the preparation of the gift. Then the people give thanks to God for these gifts in the Eucharistic prayer. At communion people come forward to receive the body and blood of Christ and share in the sacred meal.

**Family Mass**
A reminder that this will be celebrated on November 15 commencing at 9am. Please join us in celebrating this event.

**Diocese Jubilee**
December the 8th has been earmarked throughout the Kimberley as the day to launch the Jubilee Year for the Diocese of Broome. It is also the day that we begin the Year of Mercy, as promulgated by Pope Francis. Below I have included the logo for the Diocese’s Jubilee Year. In the image you can see how two weapons (boomerang and spear thrower) have been united to represent the Cross - a sign of peace and hope.

Out of the Mouth of Babes
A mother asked her little girl what she learned in Sunday School. She said she learned about God creating Adam and Eve. "Tell me about it" said mother. The little girl began, "Well, God created Adam out of the dust of the earth, but
he was very lonely and wanted some company, so God picked him up, sat down in a big rocking chair and rocked Adam to sleep; then took out his brain and created Eve."

Enjoy the weekend
